Message From Your Director

Ladies—this has been a busy spring and all of the Chapters in Region 6 and the MAL's in southeast Kansas know it. Thank you to all of you for your belief in NAWIC and all that it means to your careers and to our industry.

May is a time when most Chapters are presenting their nominations for next year's slate of officers. I hope you will consider being a leader in NAWIC through the leadership opportunities of our chapter officer positions. I can promise that you will personally and professionally benefit from being a chapter officer. Yes, it will stretch you. Yes, it requires some time and effort. But, it is HUGELY rewarding to have an impact on the women in our industry. If you are worried about stepping forward for fear of speaking in front of groups, or fear of making mistakes, I can also assure you that you will have support from me as well as others who have served as chapter officers. We will see that you succeed in whatever position you volunteer for.

Your ballot to vote in the National Officer's Election should have been in your Inbox on this past Thursday, if you did not receive it, please contact the National office or myself and we will figure out why! If Region 6 can keep its voting percentage high, we will definitely receive more national visitors at our regional events. This is your NAWIC duty. Thank you.

**Nathan Huie, Region 6 Block Kids
Winner took 2nd place in the
NATIONAL Block Kids competition!!!
Congratulations to Gr. Wichita Chapter
member June Huie and her grandson.**

Don't forget to register for the NAWIC's AMEC in Bellevue, Washington. This is conference will bring **value** to your NAWIC membership, as well as your career. Do not miss out. Let me know, if I can answer any questions, because I am here for you.

Now that is connected!

Thank you! I was absolutely delighted to receive the "Kick Cancer's Butt" card. And, that's just what I intend to do! I was looking forward to seeing my friends in Region 6, but also, I was looking forward to going back to my Kansas roots. I hated that I had to miss the Wichita Forum, but I will certainly be at another Region 6 event in the future. I'll see you in Bellevue!

WELCOME TO NAWIC, LADIES!

FROM OUR SPEAKER AT FORUM -

Thanks for sharing your group with me for an hour last Friday!

I have included this link to the presentation as well as the attached .pdf: http://prezi.com/c_djfgoygkhv/nawic-2013-listen-like-a-negotiator/?auth_key=d13bcb4dd8c941d4b191f249674ca820428a85dd&kw=view-c_djfgoygkhv&rc=ref-10554433

Feel free to distribute this to your attendees, as many did not have business cards available. Here is a link to our Speakers Bureau:

<http://speakersbureau.natsb.com>. You can find information about our other offerings, bios, and demo videos should you wish to share that with your colleagues. We offer DOT-compliant Supervisor Training for Drug-free Workplaces on first Fridays in Wichita, Topeka, and Kansas City. This schedule is also located on our Speakers Bureau page.

If you or any of your members were interested in background checks, drug testing, or Safeguarded, call or e-mail me and I can set a time to build a quote for those services as well.

I thoroughly enjoyed my time with you and the NAWIC crew. Best of luck, and stay safe!
